9. COURSE REQUIREMENT

9.1. Rules of class participation

- Students / students are responsible for attending all classes. In case of absence from school due to force majeure reasons, there must be sufficient and reasonable proofs.
- Students are responsible for actively researching documents, proactively preparing lessons before going to class according to the instructions and requests of lecturers.
- Students who miss more than 20% of the lessons of the subject will be considered as not complete the course and have to enroll again.
- Students who submit individual and group assignments late compared with the prescribed time of the instructors will receive a score of 0 for that assignment.

Students will be asked to answer random questions and answers during 12 sessions

- Regarding the exchange between lecturers and students: Encourage students to participate in discussions (groups and individuals), give direct feedback with teachers about the content of the module, teaching and learning methods, teaching materials and read. Lecturers also encourage students to give feedback on the form, methods and contents of the tests, and to evaluate students' learning results. Students can communicate with lecturers in class, during office hours or via email. The valuable student feedback contributes to improve the teaching and learning quality of the module

9.2. Rules of classroom behavior

- The module is conducted on the principle of respect for learners and teachers. All acts that interfere with the teaching and learning process are strictly prohibited.
- Students need to actively participate in lectures in class through discussions with teachers (answer and ask questions) and group discussions, presentations
- Students must go to school on time. Students who are late more than 10 minutes after class starts will not be able to attend the class.
 - Absolutely not make noise, affect others in the learning process.
- Absolutely not eat, drink, chew gum, use devices such as phones, music players during class.
- Laptops and tablets are only used for the purpose of recording lectures, calculating for lectures, exercises, absolutely not used for other purposes.
